Updates and Reminders

2027 Queensland North Shore Calendar

Get a head start with our 2027 calendar to ensure your plans align perfectly with North Shore lessons.

North Shore term dates are clearly color-coded for easy identification, alongside Queensland public holidays and school holidays. This way, you can coordinate your travel plans, special events, and other commitments without disrupting your child's educational journey.

End-of-Term Progress Reports in Week 10

Teachers of students in Prep to Level 10 have prepared **individualised progress reports** for all students who have attended the majority of the term.

These reports will be made available for viewing and download via the Student Portal **after your child's final lesson in Week 10**.

We encourage parents and guardians to **review these reports** thoroughly, as they **provide insights into your child's academic progress at North Shore and areas for improvement**.

North Shore recommends that everyone download a copy onto their device for personal use and offline access, as access to the Student Portal may be limited during the holiday period.

Important Safety Reminders

Being Punctual For and After Classes

We kindly ask that both parents and students **adhere to the designated start and end times** for each campus. Please try to arrive **5 to 10 minutes early** to allow lessons to begin on time without disruptions from late arrivals. **Students arriving significantly earlier than scheduled start times can pose safety and supervision challenges.**

Additionally, we would like to remind parents about the **importance of punctuality for pickups after classes.** Timely collection is essential for the smooth running of our campus. If you find yourself running late due to unexpected circumstances, we would greatly appreciate it if you could inform your campus manager with a courtesy call, including your estimated time of arrival.

Student Safety: Appropriate Footwear

For safety reasons, we ask that **students do not wear open-toed shoes including thongs and sandals** to North Shore classes.

Closed-toe shoes with a sturdy sole will help prevent injuries and ensure safety during all activities on campus.

For younger children, **if your child has not mastered tying their shoelaces yet, please opt for alternative styles of footwear, such as velcro or buckled shoes.**

We appreciate your cooperation in helping us maintain a safe and secure environment for all students.

Frequently Asked Questions

NORTH SHORE
Coaching College

QUESTION 01

What happens if my child is sick/can't make it to their lesson?

Call your Campus Manager or the Principal Campus at 3343 1883 as soon as possible, so we can prepare your child's booklets for collection.

After that, you will need to **pick up the booklets** to take home, allowing your child to **access the lesson videos online** through the **Student Portal**.

QUESTION 02

Why do I need to call beforehand to pick up booklets?

When parents turn up on the spot to let us know their child won't be coming for their lesson, our staff must locate your child's teachers and interrupt 2-3 classes to gather booklets for you.

By giving us a call ahead of time, our team can prepare your materials in advance, ensuring **you won't have to wait**. This approach also **enables our staff to assist more parents efficiently**. Most importantly, it **helps minimize any disruption to the ongoing classes.**

QUESTION 03

My child has lost their booklet. Can I come to pick up a new one or can you email us the PDF file?

Unfortunately booklets **cannot be sent electronically**. Those looking to replace any lost/damaged booklets will need to **purchase a replacement booklet**.

Replacement booklets are available at an **extra charge**.

Please contact your campus manager, or call the Principal Campus at 3343 1883 to arrange collection.

Frequently Asked Questions

QUESTION 04

Can I pay when my child comes to class in Week 1?

No. Your child's tuition fees must be taken care of **at least one day before their first lesson**. If you arrive on the day of the lesson, your child's name will not be on the roll, and they will not have any booklets.

North Shore assigns spots on a first-come, first-served basis. So delaying payment until the last day may result in your preferred class time being fully booked.

QUESTION 05

I need to pick up my child early. What do I need to do?

Please call your Campus Manager or the Principal Campus at 3343 1883.

If your child will be missing any lessons as a result of leaving early, please let the staff know so they can give you the booklets for the class(es) they will miss.

When you're ready to pick up your child, please **head to the office**, and **the staff will get your child from their classroom**.

QUESTION 06

My child has been absent for a while. Can I bring all their homework in to be marked?

Students are welcome to bring homework in as long as it is from the **past 2 weeks**. *For example, if it is currently Week 8, only homework from Week 6 and 7 will be accepted*. Booklets submitted outside of this two week time frame are marked at the teacher's discretion.

For booklets that are outside of that time frame, please **refer to the model answer**s provided at the back of the booklet for the following week.
