2018 Annual Awards Presentation

Over 27 Years of Success Stories

Over 65 campuses in NSW, VIC, QLD, WA, ACT & SA

The North Shore Annual Prize Presentation is our way of acknowledging and celebrating the exceptional academic achievements of our students. Over 800 students of academic excellence and their parents were invited to this important presentation held on Sunday, 11th November in the Concert Hall, The Concourse, Chatswood. This year we had joint Students of the Year. Both received full scholarships to the prestigious Sydney Grammar School. The students thanked North Shore for our contribution towards their success. They were presented with trophies, prizes and scholarships to North Shore for Year 7. Among the guests were Year 6 Scholarship & Selective High School Winners, North Shore Young Achiever & High Achiever Scholarship Winners, ICAS North Shore multiple High Distinction Winners, AMC Medal Winners, Students of the Year and students of outstanding results. Mr Andy Mak, National Principal, gave a demonstration to officially announce that Fastrain Online Video will be available in 2019. Top students were invited to give a speech on the stage. The parents were extremely happy and students were inspired by the speech.

Mr Andy Mak, National Principal, reported that North Shore Coaching College started in 1991 and now has over 65 campuses in NSW, VIC, QLD, WA, ACT & SA. Mr Mak mentioned that North Shore is the only Coaching College accredited to run International Competitions and Assessments for Schools (ICAS) tests by University of NSW, Australian Mathematics Competition (AMC) by University of Canberra, Creative Problem Solving Competition (CPS) and Logical Thinking Challenge (LTC) by the University of Melbourne and remedial courses for needy students by the Federal Government. Also, North Shore is the only Coaching College, partnering with the University of Melbourne, to have won two research grants from the Federal Government. He also reminded students that they should thank their parents. He asked all students to stand up, turn to their parents and say, "Thank you Mum and Dad, thank you, I love you". This drew a big round of applause and created a very touching atmosphere.

This event was proudly sponsored by HSBC Bank of Australia, Konica Minolta and Enrichment Corner. A lucky draw of three exciting prizes for the attendees were conducted at the conclusion of the ceremony.

Students achieving Academic Excellence Awards all expressed their sincere gratitude to North Shore
