Face-to-face learning students

- **Week 8: Student Assessment**
- **Week 10: Term Reports**

Week 8 is the formal Assessment Week (10 - 16 June). It is important that your child attends their normal class for testing during this week. This will be the only opportunity for your child to sit the test.

A Progress Report will be provided for each student and issued in Week 10 (13 – 18 April). The report will detail teachers' recommendations of areas of improvement for your child. Please read the comments carefully when you receive the progress report as the feedback will be helpful for your child's continued progress.

If you would like to speak to your child's teacher/s to find out more, it is compulsory to contact your Campus Director to pre-arrange a meeting.
