The screenshot shows a red box titled "Student Login". It contains two input fields: "Student Number:" with a text box and a hint "*This can be found on your receipt*", and "Password:" with a text box and a hint "*Try the last 6 digits of your phone number*". To the right of the password field is a white "Login" button.

- After you have logged into the North Shore Student Area, click on the “north shore online” button in the top banner.

- You can then select the Subject, Week and Page number of the lesson that you wish to watch or choose this via the banner on the left hand side.

- Remember to press the “Full Screen” button for a better learning experience.

To show the video progress bar, please hover your mouse over the video.

6. If you wish to change the lesson to a different subject, you can press North Shore Online button to go back to step 4 OR press the back button (above the video) and then repeat step 2.

Submitting Completed Homework:

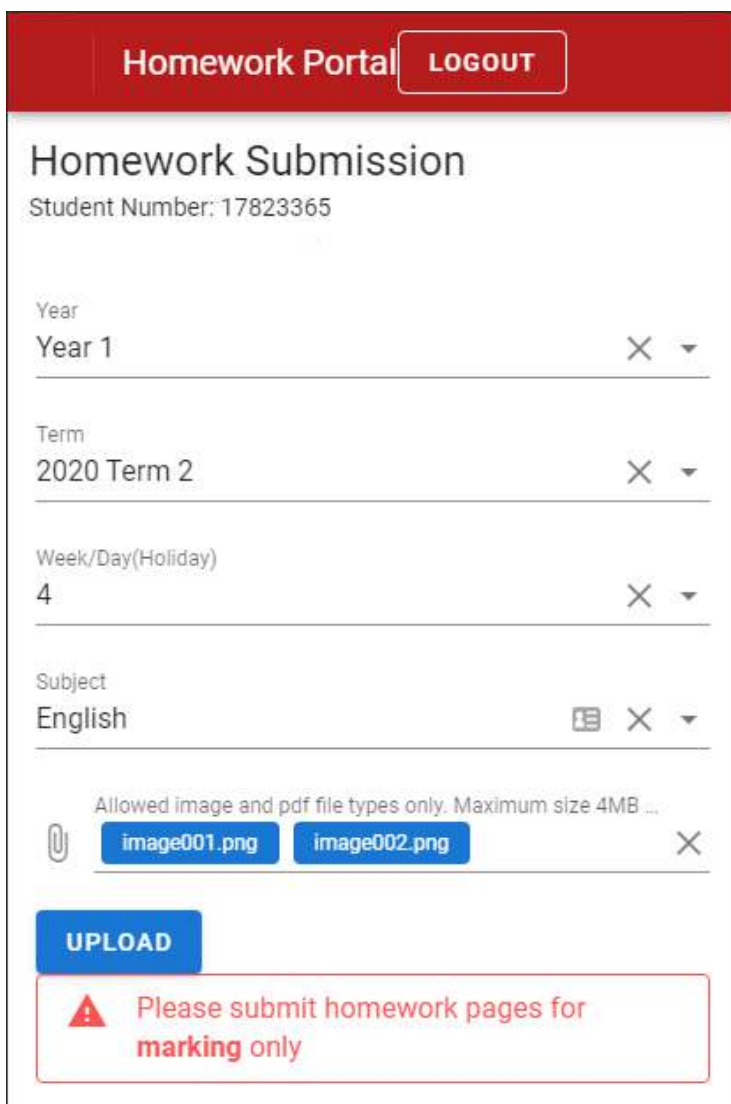

1. Go to North Shore Homework Student Portal:
<https://homework.north-shore.com.au/>

2. Enter Student Number and Password, then click "Login"

3. You may submit your completed homework either by mobile phone or computer (if you have a scanner). If you use mobile phone, you take a picture of completed homework, page by page. If there are 5 pages, there will be 5 pictures. Maximum size per picture is 4MB. If you use a scanner, you may scan multiple pages but make sure that the file is less than 4MB. The file formats accepted are: pdf, jpeg, jpg, bmp, png, gif.
4. Ensure that the images being submitted are clearly legible. Any images which are not clear will need to be resubmitted for marking.
5. Enter your Student Number and Password and press the "Login" button.
6. Select the appropriate information including: Term/Holiday, Week/day and Subject
7. Press the paperclip to select pictures or scanned files in Step 1.
