

# NORTH SHORE ONLINE LEARNING

## 5 EASY STEPS

### Essential tips to maximise online learning with us!

- Access North Shore Student Portal via [www.north-shore.com.au](http://www.north-shore.com.au)
- Go to 'Resources', click "Student Login"
- Enter your 'Student Number' & 'Password' (last 6-digit of telephone number registered with us)

#### WATCH VIDEO LESSON (PRE-RECORDED)

How to access pre-recorded video lessons?

- Access North Shore Student Portal ([www.north-shore.com.au](http://www.north-shore.com.au))
- **Login** & click "north shore online"

Watch lessons at your convenience and in your own pace at home.

You do not need to follow your usual in-person (face-to-face) class time.

Make sure you ATTEMPT ALL CLASSWORK + HOMEWORK questions before your Zoom class.

1

#### STUDENT BOOKLETS

How to access your booklets?

- Access North Shore Student Portal ([www.north-shore.com.au](http://www.north-shore.com.au))
- **Login** & click 'North Shore Online' - Download & print your booklet.

Printed copies will be available when we resume face-to-face learning in your respective Campus.

2

#### HOMEWORK

Submit your homework online via the student portal (deadline up to 10 days).

Go to <https://homework.north-shore.com.au/login>

Receive marked homework within 14 days of submitting online.

3

#### LIVE CHAT

How to access live chats?

- Access North Shore Student Portal ([www.north-shore.com.au](http://www.north-shore.com.au))
- **Login** & click "north shore online"
- Live' Chat: 4pm - 6pm: Tues - Fri

Interactive Online 'LIVE' Chat aims to answer your queries or provide more clarification related to your studies. It is NOT a tutorial lesson. (terms & conditions apply)

4

#### ZOOM 'LIVE' LEARNING

How to access your Zoom lessons?

- Access North Shore Student Portal ([www.north-shore.com.au](http://www.north-shore.com.au))
- **Login** & click 'LIVE Learning' (left side of screen)
- Ensure you check Zoom details (time/day) prior to your scheduled lessons.

Our zoom lesson is RECOMMENDED BUT NOT COMPULSORY.

It COMPLEMENTS & reinforce learnings & concepts from our pre-recorded video lessons, review homework questions & enable students to ask questions where relevant. It does not replicate video recorded lessons or full teaching sessions.

Duration (time limit) is restricted to optimise student learning outcomes.

If students do not attend, there is no 'make up' class.
