## AN END TO A WHIRLWIND OF A TERM

What a start to the school year we've had! With the delayed start of Term 1 and students enjoying an extra 2 weeks off school, North Shore was able to deliver our lessons as scheduled via Online Learning. On top of this, Mother Nature lashed out on the East Coast with continuous rainfall and flooded many suburbs and towns! Due to the above circumstances and many issues beyond our control, a couple of our campuses were unable to run face to face classes during the flooded week. Nevertheless, our students were able to carry on with their North Shore studies at home with our Online Learning tools. A big Thank You for your patience and continued support during these difficult times.

We hope that all our North Shore families stay healthy and safe over the upcoming Easter holidays.

## TERM 2 DATES

Due to Easter holidays falling on the second week of the school holidays, Week 1 of Term 2 for students who attend weekend classes will commence the weekend immediately following the last week of Term 1. Students attending weekday classes will commence Term 2 from the 19th April, 2022.

Please refer to the table below for clarification.

	Sat	Sun	Tues	Wed	Thurs	Fri
<b>Term 2 Week 1</b>	2 April	3 April	19 April	20 April	21 April	22 April
<b>Term 2 Week 2</b>	23 April	24 April	26 April	27 April	28 April	29 April

## An exciting new opportunity at North Shore: 2022 NAPLAN Online Practice

*Did you know that the nationwide NAPLAN tests will be moving online in 2022?*

In response to this change, North Shore Coaching College has adapted our previously paper-based NAPLAN training materials, and is delighted to announce a brand new '**NAPLAN Online Assessment Preparation and Revision Course**' available from the upcoming Term 1 and the upcoming April School Holiday.

Students in Year 3, 5, 7 and 9 will have the opportunity to complete both paper and digital online based training. This holiday course is designed to give students an opportunity to catch up and revise content that they should already be familiar with, and more importantly, to give them a chance to familiarise themselves with the online testing environment.

Online mock exams will be completed using North Shore's new **NAPLAN Online adaptive testing platform**, the first of its kind to be offered by any coaching college in Australia.

Current North Shore students in Year 3, 5, 7, and 9 were invited to participate in a free trial program using the same testing platform. Students would have already tried their hands at completing a set of sample questions, as well as a condensed NAPLAN Online mock test.

For more details about our new 'NAPLAN Online Assessment Preparation and Revision Course', please see page 5.

Those interested in registering should contact their Campus Managers.

### ***What is adaptive testing?***

Adaptive testing allows a test's difficulty to change to allow a student to demonstrate knowledge and stay engaged with a test.

Adaptive tests will automatically adapt to a student's test performance and ask questions that try to match each student's achievement level.

*Tips and reminders for Parents*

## A STRESS FREE TRANSITION INTO HIGH SCHOOL

- Help your child get organised, they now have multiple teachers and subjects
- Don't worry if their grades slip at first, it's normal
- Keep up the out-of-school activities and friendship groups
- Maintain parental controls on their devices
- Give them lots of love and support, the first year can be overwhelming

## DON'T BE LATE FOR CLASS!

Please ensure your child arrives at least 5 minutes before class commences. This will help to minimise class disruptions and allow teachers to carry out lessons more smoothly.

Students arriving late are to report to the office before heading to class.

Students arriving over half an hour late, will not be permitted to join the first lesson. Instead, they will be asked to wait in the office area until the next lesson begins.

# IMPORTANT: Drop off/Pick up

Dear Parents/Guardians,

When dropping off and picking up your child/ren, please take into consideration local traffic rules and always be respectful of locals living in the surrounding areas.

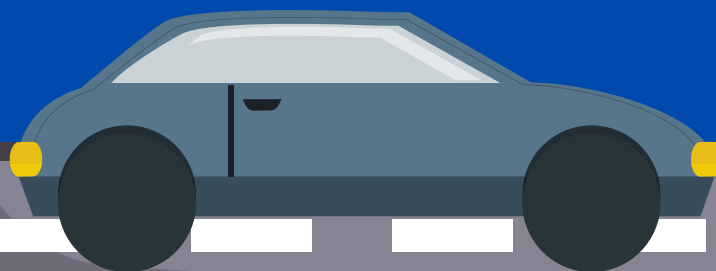

For the safety of students, please make sure you do not speed and never stop your car where you could be blocking access to any driveways.

It would also be appreciated if you could just “drop and go” to enable a smooth flow of traffic. Parents wishing to “send” their child/ren off are encouraged to park their cars somewhere away from the immediate school area where it is legal, and walk with the students instead.

We have been informed that **City Council may turn up at any time and fines will be issued on the spot.**

***Thank you for your cooperation.***

North Shore Management Team

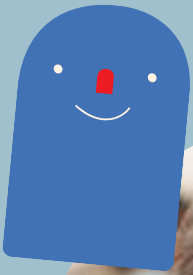

### Face Masks at North Shore

In line with the relaxation of mask rules by Queensland Health, face masks are no longer mandatory at North Shore Coaching College.

With that being said, students are still more than welcome to come to class wearing a face mask.

Face masks now a personal choice!

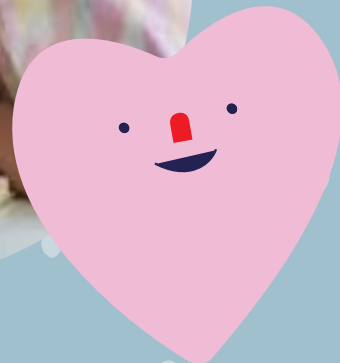

### Handing in Homework

Students hand in their completed homework to their teachers the following week. Homework submitted up to 2 weeks late may not be marked.

It's good practise for children to get into the habit of writing both their first and last name on their booklets.

Homework submitted late may not be marked!

## Entrance Exam & Scholarship Success

For all students who have been successful in being offered a place at their school of choice via entrance or scholarship tests, please inform us via email with a copy of the school's acceptance letter. Students will then be invited to our end of year presentation to celebrate their success.

## Proper Footwear

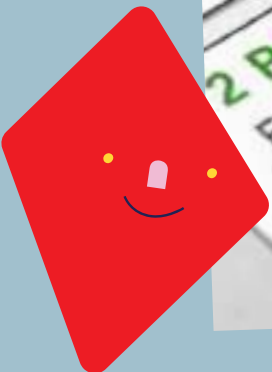

For health and safety reasons, please do not send children to class in slippers, thongs or roller shoes. Students should always wear closed in shoes when attending class.

## Keep us updated with your details

Please always remember to keep us updated with your latest details, whether it's a change of phone number, email or address.

Students who have changed schools including Grade 7 students moving to a new High School should also keep us updated.

# Additional Courses

LEVEL	COURSES	Start / End Date	Time	No. of LESSONS	FEES / Lesson Inc GST	FEES/ TERM Inc GST
3 - 12 (1.5 Hrs)	<b>FUTURE WRITERS' COURSE</b>	19/04 – 21/06 (TUE)	4:00 – 5:30pm	10	\$58	\$580

The Future Writers' course is essential for students wishing to develop and extend their writing skills. This course extends vocabulary and expression, increase and enhances understanding of writing skills in different genres and develops structure and organisation of materials effectively. It also improves language skills using modelling techniques and develops style, expression and mechanics in writing. Additional skills such as using reading materials to stimulate ideas for effective writing, developing mature brainstorming and mind mapping techniques, and developing humour and creativity in writing are also improved.

5 – 7 (1 Hr)	<b>ANALYTICAL CRITICISM</b>	02/04 – 18/06 (SAT)	12:45 – 1:45pm	10	\$41 (Fastrain) \$51 (Non - Fastrain Student)	\$410 \$510
-----------------	-----------------------------	---------------------	----------------	----	--	----------------

The critical analysis course is designed to sharpen students' skills when reading. By being able to "read smart" students will experience proficiency not only in answering comprehension and multiple-choice questions, but also in framing extended literary responses. Specially tailored North Shore materials ensure that students are wrapped whilst exploring and understanding the nuances of texts.

2 – 4 (1 Hr)	<b>BASIC GRAMMAR SKILLS</b>	02/04 – 18/06 (SAT)	12:45 – 1:45pm	10	\$41 (Fastrain) \$51 (Non - Fastrain Student)	\$410 \$510
5 - 8 (1 Hr)	<b>EFFECTIVE GRAMMAR SKILLS</b>					

The Grammar courses "Basic Grammar Skills" for Lower Primary (Years 2 to 4) and "Effective Grammar Skills" for Upper Primary (Years 5 to 8) effectively teach students the necessary foundations that ensure language success. Both courses cover the parts of speech (nouns, pronouns, adjectives, verbs, adverbs, prepositions, conjunctions) and how they function within a sentence to make meaning. Mastering the accurate use of grammar and punctuation ensures the successful writer communicates in clear and grammatically correct language.

5 & 6 (1 Hr)	<b>PROBLEM SOLVING TRAINING COURSE</b>	02/04 – 18/06 (SAT)	12:45 – 1:45pm	10	\$41 (Fastrain) \$51 (Non - Fastrain Student)	\$410 \$510
7 & 8 (1 Hr)	<b>FUTURE MATHEMATICIAN</b>					

This once a year Maths Course is for students who have shown an aptitude for Mathematics and would like to develop accurate critical thinking and problem solving skills. This course incorporates preparation for Mathematics Olympiad Competitions.
