

E-NEWSLETTER

Principal Campus:
2008 Logan Road, Upper Mount Gravatt QLD 4122

WELCOME

to all our North Shore students and families. It is always very encouraging to see both new and familiar smiles around our campuses.

Now that the NAPLAN tests are behind us, we hope that all our year 3, 5, 7 and 9 students were able to perform to the best of their ability during the testing period. We were delighted to see so many families register their interest for our first NAPLAN online training course that was offered this past April school holidays. North Shore will continue to offer the same program in 2023.

With winter already upon us, not only are we now dealing with the after effects of COVID-19, but this year's flu season is also predicted to be more widespread than previous years. With that in mind, please help us to keep our campuses safe for everyone by keeping children at home if they are showing any signs of illness. Students can still continue their North Shore learning at home by accessing their lesson online via the Student Portal.

We hope that everyone will stay warm, safe and healthy over these next final weeks as well as over the winter break.

WRITING FULL NAMES ON BOOKLETS

Every term we have a large amount of marked homework to return to students due to a change of teachers, sessions or a variety of different reasons.

Unfortunately some are unable to be returned because they either have no name on them or only have a first name.

Please help us return marked homework to the correct student by reminding students to write their first and last name on every booklet.

.....

DON'T BE LATE FOR CLASS!

Please ensure your child arrives at least 5 minutes before class commences. This will help to minimise class disruptions and allow teachers to carry out lessons more smoothly.

Students arriving late are to report to the office before heading to class.

Students arriving over half an hour late, will not be permitted to join the first lesson. Instead, they will be asked to wait in the office area until the next lesson begins.

TERM 2 STUDENT REPORTS

Provided they were present the majority of the term, all students will receive a personalised progress report for each subject they are enrolled to at North Shore.

These reports will be uploaded and available for viewing via the North Shore Student Portal after the last lesson of the term in Week 10.

Simply login with your child/ren's student number and password, and click on 'Term Report' from the menu on the left of the screen.

Please download and save a copy of the reports to your personal device as they will not be accessible during the holidays or in the case of non-enrolment.

Lost Property?

Each term, our lost and found is overflowing with lost property - in particular, unnamed water bottles. Unfortunately due to limited space and sanitary reasons, unclaimed water bottles are disposed of at the end of each term.

If you have lost or left anything at North Shore during the term, please make sure to check out the lost and found to see if your item is there.

Help us to return all lost property by making sure all your child/ren's belongings are **clearly named**.

Winter is here!

In order to keep everyone safe and healthy, please:

- Dress children warmly, and always pack a jacket and some tissues in their North Shore bag,
- Keep children at home if they are feeling unwell or showing any sign of illness,
- Aim to arrive on time for pick up - Winter means that the skies are darkening earlier!

Scholarship Success

Has your child been offered a position to a secondary school via an entrance or scholarship exam?

North Shore would love to celebrate with you!

Please email us a copy of your Letter of Acceptance/Offer to

queensland@north-shore.com.au and successful students will be invited to our End of Year Presentation.

For a list of students who have been successful in receiving offers so far, see **pages 10 to 12**.

STUDENT SAFETY IS OUR TOP PRIORITY

Bus stops and driveways are NOT a drop off and pick up zone.

For the safety of teachers, students and staff, please find a **safe and legal** place to stop or park before dropping off and picking up your child/ren.

Stopping at or near a bus stop is a parking offence and punishable by law under the Queensland Government and Council legislation.

A big thank you to parents and carers who have been abiding by the procedures.

Please do the right thing, and do not choose convenience over the safety of your child.
