**North Shore proven success programs help our students to achieve their highest potential!**

Dear Parents / Guardians,

While providing a good educational program and career to your child can be rewarding, it is a complex and demanding venture that requires thorough planning and commitment.

North Shore Coaching College in Perth provides a proven success system to help devoted parents understand many issues that need to be considered in the education process. This includes how to provide better schooling with minimum investment, evaluating your child's capabilities, identifying learning opportunities, preparing a study plan, understanding the schedule & timing, regulations and restrictions in public examinations such as the Scholarship and GATE (Gifted & Talented Examination), as well as WACE and ATAR. North Shore students will be well equipped and capable to achieve the best performance possible. Please share this information with your friends as not only does it benefit their children but also the community we live in!

**Congratulations to our students who have achieved admirable results!**

It is simple and affordable to enrol in North Shore, and your children will find it fun and enjoyable. We have experienced and dedicated teachers with proven success teaching materials. Our excellent programs are also constantly at pace with the ever changing world of knowledge and education. Every year, there are more than 200 North Shore students in Perth who achieved

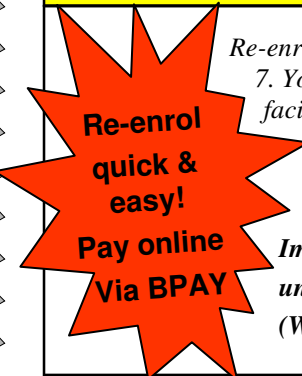

outstanding results, such as winning placements in Scholarships / GATE (Gifted And Talented Education) Programs and achieving top 1% ATAR.

Over the past 22 years, thousands of North Shore students in Perth had won prizes or obtained top marks in open Exams and or competitions, such as UCAT and NAPLAN.

Please share your child's fantastic achievements with us and North Shore would be happy to award them with super size trophies!

**IMPORTANT: Re-Enrol for 2024 Term 1 by week 9 in Current Term to secure your place!**

*Re-enrolment information for Term 1 2024 will be sent to your nominated email in Term 4 Week 7. You will have the option to make online payments via "BPAY" with your Internet Banking facility. To avoid missing out on any official communications from North Shore, it is important to ensure that your contact information (Email and Mobile) is up to date.*

*A \$40 Early Bird discount applies if paid by Week 9 Term 4 (3 Dec 2023)*

*Important: If you do not receive the Email which provides the BPAY Biller code and unique customer reference number from North Shore Coaching College by 19 Nov 2023 (Week7), please contact your North Shore campus director to update your email address.*

Enrolment priorities will be given to our students in existing classes. However, if any current student fails to re-enroll on or before Week 10 of this term (i.e., Sunday, 10 Dec 2023), their place will be assigned to other students on the waiting list.

**We wish YOU and YOUR FAMILY a Merry Christmas and a Prosperous New Year!**  
**We look forward to welcoming our students back for another successful year!!**

The North Shore tuition program has demonstrated its effectiveness as an outstanding initiative that empowers students to excel in various open exams and competitions.

We take pride in announcing that the count of students who have earned scholarships and secured placements in Independent and state schools has been ever increasing since the establishment of North Shore Perth in 2001. In 2023, over 170 students have confirmed and reported winning Scholarships, Gifted & Talented placements, and Top 1% ATAR High Achievers were awarded in the North Shore Perth Annual Presentation. North Shore recognizes the efforts of our diligent students and encourages excellence by rewarding them with a Special Trophy and a 20% discount of tuition fee.

North Shore accelerated programs help students acquire the skills to reach their fullest potential. Guided by dedicated and specialist tutor, our program develops student's abilities in abstract thinking, verbal & numerical reasoning, spatial relations, information processing, memory and word fluency. To support our students in realizing their aspirations and unique talents, we have integrated up-to-date, ACER format in-class Trial Tests into our teaching curriculum for Terms 3-4/2023 and Term 1/2024.

In order to well prepare your child for the increased academic challenges in the upcoming years, give them a head start and boost their confidence in winning a Scholarship and / or a placement in Gifted and Talented Education Program.

Most Scholarship and GATE exams will be conducted in Term 1 / 2024. To ensure success in these exams, it is vital that you prepare early.

## Important Message about 2024 NAPLAN TEST

The National Assessment Program – Literacy and Numeracy NAPLAN will be conducted for all students in Years 3, 5, 7 and 9 in all government and non-government schools, will be conducted in March 2024. This program, which will run in all States and Territories of Australia, will assess literacy and numeracy skills of all students. The Australian Curriculum, Assessment and Reporting Authority (ACARA) has moved NAPLAN online, this allow students to complete NAPLAN tests using an electronic device. Over 100 schools in Western Australia as well as schools across Australia will participate in NAPLAN Online. The NAPLAN will provide an important measure of how students are performing in the area of reading, writing, spelling and numeracy. It allows you to:

- \* Compare your child's progress in relation to the benchmark
  - \* Compare your child's achievement with other students, as well as the performance of all schools in Australia. For more information please refer: <http://www.myschool.com.au>
  - \* See how your child's development in literacy and numeracy compares to achievement normally associated with the relevant years of schooling
  - \* Read a description of the skills associated with your child's achievement on four assessments (Reading, Writing, Spelling and Numeracy)
- Source : [www.naplan.edu.au](http://www.naplan.edu.au)

### North Shore Coaching College is delighted to be the first coaching college in Australia and Hong Kong to launch NAPLAN Online adaptive testing platform.

To provide our students with some familiarity as well as practices with the online NAPLAN exam North Shore will be offering a comprehensive and adaptive NAPLAN Online mock test to all Year 3, 5, 7 and 9 students in WA.

Join our **NAPLAN Online mock test** where students in Year 3, 5, 7 and 9 will complete NAPLAN Online adaptive tests in Writing, Reading, Conventions of Language and Numeracy, **receive a tailored test report** and **review incorrectly answered questions**. Adaptive tests (or tailored tests) automatically adapt to a student's test performance and asks questions that try to match a student's achievement level. In an adaptive test, one student may not complete the same questions as another student. Instead, generally a student who answers more questions correctly/incorrectly will receive harder/easier questions respectively. Adaptive testing allows a test's difficulty to change to allow a student to demonstrate knowledge and stay engaged with a test. It provides educators with access to more targeted and detailed information on student performance which can then be reported to parents. and it is now open for enrolments. Please keep an eye out in your email and/or speak to your Campus Director for further information. Ensure that your contact information is up to date with us!

## Message for Parents in Western Australia

### 1. The initial five years of a child's life hold significant importance.

From the time they are born, their brains are undergoing huge changes that allow them to develop and learn at a rapid pace.

You are the most important person in your children's lives. Your family, friends and the broader community also play key roles in shaping their development. So, it is vital that these relationships are positive, and that your children's everyday experiences are meaningful, as it is these things that help shape the people they will grow to become.

Daily opportunities to play, laugh and learn are vitally important – they allow your children to practise skills, communicate with others, take on challenges and solve problems in fun and enjoyable ways.

These, along with good health and nutrition are extremely important in making sure your children get the best start in life.

### 2. You need to apply to enrol your children in public school for 2024 if they are:

- starting Kindergarten – 4 years old by 30 June 2024 (while not compulsory we highly recommend)
- starting Pre-primary, the first year of compulsory school – 5 years old by 30 June 2024
