

North Shore Newsletter

TERM 4, 2025

Principal's Message

Dear Parents and Students,

I am delighted to return to North Shore Coaching College as Principal of Victoria, bringing with me fresh insights from my postgraduate studies in teaching at the University of Melbourne and a renewed commitment to educational excellence.

At the heart of this commitment is my vision for North Shore in Victoria, built on two key pillars: developing strong academic foundations and nurturing positive mindsets across all year levels. From the early years through to senior school, every stage of learning matters. These are the years when children form the habits, confidence, and curiosity that shape their future success. As a parent myself, I understand how academic expectations grow over time, and I know that students who begin with solid foundations are best equipped to meet each new challenge with confidence and purpose.

To bring this vision to life, our approach to learning must go beyond academics. I believe in fostering a culture that celebrates effort as much as achievement, one that recognises progress and builds emotional resilience. When students grow both academically and personally, they become lifelong learners who approach challenges with optimism and courage.

I look forward to partnering with you to help your children grow into confident, capable, and well-rounded young people who thrive both in and beyond the classroom.

Finally, I wish you all a wonderful Christmas and a refreshing summer break. I look forward to an exciting 2026!

Carris Yiu
Principal (VIC)
