Kicking Off a New School Year

We are thrilled to embark on another academic year at North Shore Coaching College with both our dedicated students and supportive parents.

As we dive into the final weeks of Term 1, we would like to remind all families that our approach to studies should mirror the dedication required in music and sports - **it's unreasonable to expect good results without investing the proper time and effort into practice.**

At North Shore, this "*practice*" can take many forms, such as:

- Spending extra time **reviewing the weekly spelling list with a dictionary or thesaurus** to deepen understanding,
- Revisiting marked homework booklets to **reattempt questions that may have been answered incorrectly**, or
- **Drafting an initial version of their creative writing** homework early in the week, looking for opportunities to incorporate their weekly spelling words, followed by **proofreading and creating a final copy later in the week.**

For students facing difficulties with certain concepts discussed in class, we encourage you to **cultivate patience and perseverance.** Make the most of the many resources available at North Shore to help you, and remember that **our teachers are always here to support every child in reaching their full potential.**

Remember, **every challenge presents an opportunity for growth**, and with determination, there are no limits to what we can accomplish together.

Here's to a year of growth, learning, and success!

NORTH SHORE

NOTICEBOARD

IMPORTANT REMINDERS FOR ALL

END OF TERM STUDENT REPORTS

After your child's **final lesson in Week 10**, assuming they have attended most of the term, each teacher will have prepared an **End of Term Student Report**.

These reports offer valuable insights into your child's performance during the term and highlight areas for improvement.

To access these reports, simply log in to the **Student Portal** and select '**Term Reports**' from the left-hand menu.

North Shore encourages all families to download copies of the reports for offline viewing and personal records.

BE ON TIME!

Please aim to arrive **5 to 10 minutes prior** to your child's scheduled lesson. This will give students the opportunity to settle in and prepare for the upcoming session.

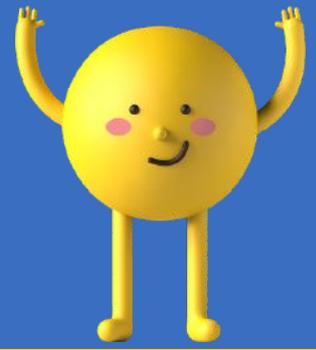

To reduce interruptions during lessons, **latecomers will not be allowed entry** if they exceed the following time limits:

- **English/Maths:** 30 minutes
- **Writing/Science:** 5 minutes

Students arriving late will receive class materials at the office where they will wait before joining the next class.

NORTH SHORE NOTICEBOARD

HELP US ENSURE OUR CLASSES RUN SAFELY AND SMOOTHLY

DON'T TEXT OR CALL STUDENTS DURING CLASS

As a sign of **respect for our teachers** and to **prevent misunderstandings**, we ask that **parents avoid contacting students during North Shore classes**.

If you wish to send a message to your child, please **call the office**, and we will ensure it is delivered.

This allows students to remain focused on their studies without unnecessary interruptions, ensuring they can fully engage with the lesson.

NOT FIT FOR SCHOOL? NOT FIT FOR NORTH SHORE!

The health and safety of everyone in our community is our top priority, so **if your child has been unwell enough to miss school, please avoid sending them to North Shore lessons**.

We appreciate your cooperation and understanding in ensuring a healthy learning environment for all and **look forward to welcoming them back when they are feeling better**.

NO ON-SITE PARKING AVAILABLE

Parents are kindly reminded that the **majority of our campuses do not have on-site parking** available. Please find **legal parking nearby** and walk students safely to the campus.

Parents who opt to park along the streets should **avoid blocking bus stops and private driveways**. Please also **be mindful of clearway zone times** to prevent any council fines.

ALL THE BEST FOR NAPLAN!

2026 NAPLAN Test Window: 11 – 23 March

Wishing all our Year 3, 5, 7 & 9 students all the best as they sit for their NAPLAN assessment throughout March! Remember to **stay calm, read each question thoroughly, draw upon the many concepts you've learned at North Shore, and most importantly, try your best.**

We also encourage all parents to check out the "For Parents and Carers" resource provided by The National Assessment Program. This will offer valuable insights into NAPLAN and ways parents can support their child during this time.

MyStudy homework is not optional, it's **compulsory!**

IS YOUR CHILD KEEPING UP WITH THEIR MYSTUDY HOMEWORK?

Important:

Parents of students in **Level 3, 4, and 5** are reminded that **portions of their weekly homework must be completed online through MyStudy** (not be confused with the Student Portal, where students access the weekly lesson videos).

Students will find prompts in their weekly booklets (*Maths for Levels 3 and 4 & English for Level 5*) directing them to complete the necessary pages online.

This **online homework should be completed each week** as your child works through their booklets.

Marks for MyStudy homework are available immediately after modules have been submitted, and students have the option to re-attempt any modules if they wish. (Please note that only marks from the student's first attempt will be recorded.)

Benefits of Online Homework

- Review and re-attempt questions at student's own pace online
- Identify areas that require extra attention
- Build confidence for digital assessments
- Provide instant feedback to guide progress

How to access MyStudy?

1. Open www.mystudy.north-shore.com.au in your **internet browser**
2. Enter your **Student Number** and **Password**
3. Select the **module** that corresponds with the current week

Your 8-digit Student Number can be found on your North Shore receipt and Password will be the last 6-digits of the main phone number nominated at the time of enrolment. Students will use the same login details for both MyStudy and the Student Portal.

Frequently

Asked Questions

QUESTION 01

What happens if my child is sick/can't make it to their lesson?

Call your Campus Manager or the Principal Campus at 3343 1883 as soon as possible, so we can prepare your child's booklets for collection.

After that, you will need to **pick up the booklets** to take home, allowing your child to **access the lesson videos online** through the **Student Portal**.

QUESTION 02

Why do I need to call beforehand to pick up booklets?

When parents turn up on the spot to let us know their child won't be coming for their lesson, our staff must locate your child's teachers and interrupt 2-3 classes to gather booklets for you.

By giving us a call ahead of time, our team can prepare your materials in advance, ensuring **you won't have to wait**. This approach also **enables our staff to assist more parents efficiently**. Most importantly, it **helps minimize any disruption to the ongoing classes**.

QUESTION 03

My child has lost their booklet. Can I come to pick up a new one or can you email us the PDF file?

Unfortunately booklets **cannot be sent electronically**. Those looking to replace any lost/damaged booklets will need to **purchase a replacement booklet**.

Replacement booklets are available at an **extra charge**.

Please contact your campus manager, or call the Main Office at 3343 1883 to arrange collection.

Frequently Asked Questions

QUESTION 04

Can I pay when my child comes to class in Week 1?

No. Your child's tuition fees must be taken care of **at least one day before their first lesson**. If you arrive on the day of the lesson, your child's name will not be on the roll, and they will not have any booklets.

North Shore assigns spots on a first-come, first-served basis. So delaying payment until the last day may result in your preferred class time being fully booked.

QUESTION 05

I need to pick up my child early. What do I need to do?

Please call your Campus Manager or the Principal Campus at 3343 1883.

If your child will be missing any lessons as a result of leaving early, please let the staff know so they can give you the booklets for the class(es) they will miss.

When you're ready to pick up your child, please **head to the office**, and **the staff will get your child from their classroom**.

QUESTION 06

My child has been absent for a while. Can I bring all their homework in to be marked?

Students are welcome to bring homework in as long as it is from the **past 2 weeks**. *For example, if it is currently Week 8, only homework from Week 6 and 7 will be accepted.* Booklets submitted outside of this two week time frame are marked at the teacher's discretion.

For booklets that are outside of that time frame, please **refer to the model answers** provided at the back of the booklet for the following week.
