NORTH SHORE NOTICEBOARD

IMPORTANT REMINDERS FOR ALL!

NO PLACE FOR AI AT NORTH SHORE

Your teachers want to read **YOUR** writing, not a computer's! Please do **NOT** use any AI tools to help you complete North Shore homework – meaning **no ChatGPT, no Claude, no Gemini, and no other AI writing apps**. This includes asking AI to **write a draft, give you sentences to copy, or fix up your writing**.

Our teaching staff are able to tell if work is yours or not.

Why?

The whole point of North Shore homework tasks is to find out what **YOU** think and how **YOU** write. Teachers are not looking for perfect writing. They are looking for **your genuine thoughts and effort**, so they can support you to improve your writing skills.

LET NORTH SHORE CELEBRATE WITH YOU!

Thank you and congratulations to all the families who have shared the wonderful news of their child's success in Scholarship, GATE and academic entrance exams over the past year! North Shore is proud to be part of this significant accomplishment.

If your child has also received good news regarding Scholarship, GATE or academic entrance offers from prospective high schools, please inform your Campus Director or send a copy of the acceptance/offer letter to **admin.wa@north-shore.com.au**.

All students will be recognized on our **Wall of Achievements** at our Principal Campus in Perth, join our **Annual Presentation event**, be awarded a **super-size trophy**, and be **featured in future publications** alongside all other successful students.

NORTH SHORE NOTICEBOARD

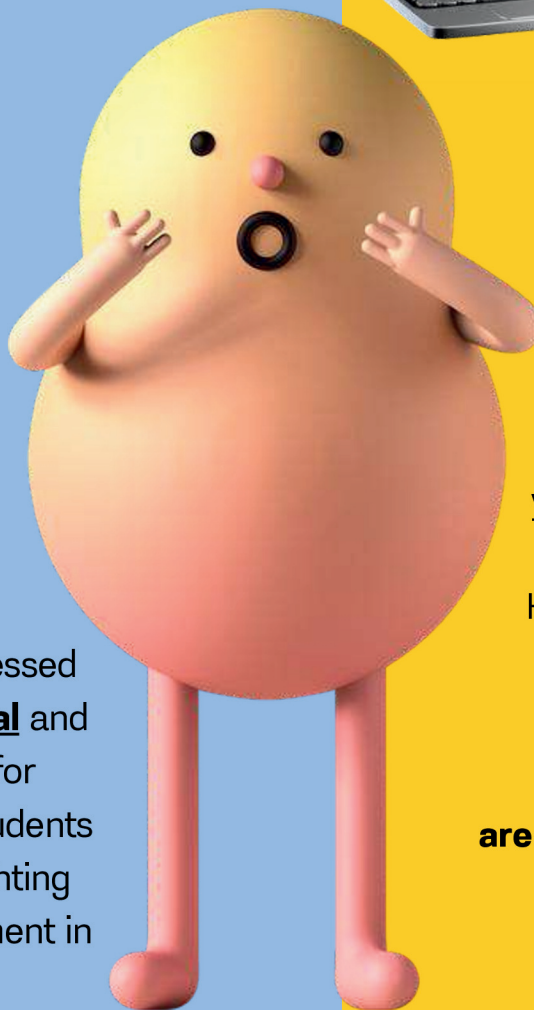

IMPORTANT REMINDERS FOR ALL!

END-OF-TERM STUDENT PROGRESS REPORTS

To enhance transparency and clarity regarding student performance in our courses, students who have attended the majority of the term will receive personalized progress reports from their teachers after their final lesson in Week 10.

These reports can be accessed through our **Student Portal** and serve as an excellent tool for identifying areas where students excelled, as well as highlighting opportunities for improvement in the upcoming term.

DON'T FORGET MYSTUDY HOMEWORK

All students in Level 3 to 5 are reminded that the **online components of your homework must be completed weekly.**

When you reach the designated page in your booklet that directs you to MyStudy, please ensure you **complete these tasks in one sitting to avoid forgetting.**

Homework can be access through our **MyStudy Portal**.

It's crucial to note that **these online components are not optional; they are mandatory.** *Not completing them means missing valuable opportunities to reinforce the concepts covered in class..*

FOOTWEAR & SAFETY ON CAMPUS

Did you know, **the most common contributing factor to slips, trips or falls is inappropriate footwear?** Contributing factors include slippery soles, poorly secured shoes (such as thongs, slides or ill-fitting sandals), and loose soles or laces.

To help keep your child safe, ensure they wear **suitable, closed-in shoes** when attending classes at North Shore. Additionally, select a fastening system that is suitable for your child-**avoid laces if they are not able to tie their shoes by themselves.**

HEAR FROM OUR HAPPY PARENTS

Real stories of joy and growth from our coaching community

"My kids been in north shore for the last two years. They are progressing really well in terms of their school mark and attitudes. The staff are really nice and they give us feedback when very they notice something that need to be improve in term of their knowledge. I highly recommend to everyone looking for high achievement in their school."

ibrahem alkod

"this educational facility helped me from being slightly above average in my primary school class, to attending perth modern school with 250 gate. i highly recommend sending your kids here if they show potential and are willing to put the work in."

Alice

"We have had a positive experience with North Shore Coaching College in Shenton Park. The tuition really helped improve academic performance, and the teachers were knowledgeable and supportive. The courses are well-structured and my child felt more confident going into school exams."

Travis Hydzik

"Senuth and Shaharyar are some of the most kind and understanding individuals that you could employ! Their understanding of the curriculum and its applications is outstanding! They truly embody the spirit of education and northshore itself. A true credit, not only to themselves, but northshore and education as a whole!!"

Bobsy

"Highly recommended, have 2 kids attending. Very organised, great structure of curriculum and good support from tutors."

Chyn Soh

"My boys have been attending Northshore for the past two terms, and I've noticed a significant improvement in their maths. Their confidence has grown, they understand concepts much better, and they're approaching problem-solving with greater independence. I'm really pleased with the progress they've made and appreciate the support and guidance they've received."

Po Lee

"My son joined Math, Science and English fast track program. Honestly speaking, students need to be very disciplined when it comes to completing the tasks assigned and always seek help from teachers during class when needed. My son stopped English because I don't see much improvement but he has definitely improved a lot in Math. Be ready because the syllabus taught is more advance compared to school's."

Chrity Chong

"Brought my kid here, Classes are very wonderful."

Ketan Choksi

"My grandson Bryce has improved his school results since we enrolled him with North Shore College. We are very proud of him"

Mudji NELSON

"Brought my kid here, Classes are very wonderful."
